

Private Pet Cremation..... Pets Under 50 Pounds \$235 / Pets Over 50 Pounds \$265

During the private pet cremation procedure, only your pet is present in the cremation chamber. Our multi-step identification process will be followed from pick-up to delivery of your pet to ensure the integrity of your pet's remains. Your pet will be returned to you in our standard resin paw print urn.

Viewing of Cremation..... No Charge

Pet owners and family members may want to be involved in the cremation of their pet. This is a special request and can be arranged if desired. Our crematory is designed with a viewing window so that you may view the placement of your pet into the cremation chamber; the first stage of the cremation process. Viewing must be scheduled prior to taking your pet in our care.

Transportation..... One Person \$30 / Two Person \$60

We will pick-up your pet from your home in Sussex County and bring him or her into our care for cremation. Additional fees may apply for service outside of Sussex County. There is no charge for picking up from any animal hospital or veterinary clinic in Sussex County during normal business hours.

After Hours Service..... \$75

We are available to receive or pick-up your pet 24 hours a day, 7 days a week. Our after-hours service fee is charged for service outside of our Regular Business Hours & Holidays. Business hours are 8:30am to 4:30pm, Monday through Friday. Transportation fees are in addition to after-hours charges.

Clay Paw Prints..... \$25

An impression of your pet's paw print and name is hardened into a clay keepsake.

Shipping of Cremated Remains..... *Price will be quoted upon request*

Pricing for the shipping of remains will vary depending on weight of the cremated remains and the urn you select.

Urns, Markers and Other Memorial Merchandise are displayed at our office & on our website.

Open Door Policy: We believe in the highest standards of care and transparency in the industry. We are members of several organizations that govern our industry standards and ethics. These organizations include the international Association of Pet Cemeteries and Crematoriums (IAOPCC), Pet Loss Professional Alliance (PLPA), Cremation Association of North America (CANA). We welcome you to schedule a visit to our facility to learn more about our practices.
